

Lauren Voyles, RN, BSN, CCM

Certified Care Manager

Certified Patient Advocate

Lauren has an extensive and varied background navigating healthcare for clients with a variety of chronic and acute diseases. Her particular focus includes case management with medical oversight for clients with injury, cancer, motor system disorders, autism and heart failure.

Lauren is a gifted advocate, educator and Certified Care Manager who understands the social and emotional component that elder care places on the family. With her experience and insight, Lauren provides clarity to help families proactively navigate the often-stressful medical events that can impact family and home life.

Additionally, herself a cancer survivor, Lauren intimately understands the vulnerabilities and complexities of illness and the maze of medical care. These experiences have guided her to advocate for her clients with passion, purpose and success.

Lauren holds a RN, BSN through the University of Oklahoma and is an Albus Certified Patient Advocate through the University of Miami. She is a Certified Care Manager with The National Academy of Certified Care Managers. She also has advanced training in Gerontology through the University of Georgia.

In her free time, Lauren enjoys volunteering at her church and time in the Georgia Blue Ridge Mountains with her husband of 23 years and two teenage daughters.
